

FUSIONMATTERS

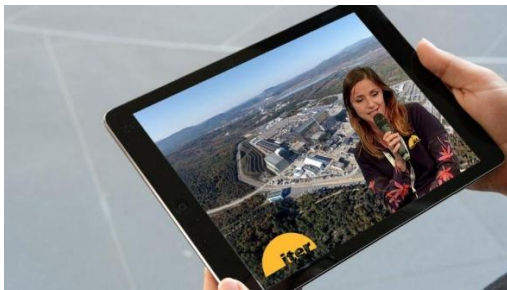

CANADA

Please find below our curated list of upcoming events that we think will be of interest to you and your colleagues.

Are you interested in visiting the largest #fusion energy project on the planet? Join us virtually for an introduction to the #ITER project and a tour of the facility.

When? (in English) 19 Dec, 13:00 - 14:30, CET (05:00-06:30 MST)

Register at visit@iter.org

We offer a virtual visit of ITER, by internet connection, for groups and for individuals in English and in French. Virtual visits last about 90 minutes. They include a presentation on the ITER project, a video, and an immersive virtual tour of the ITER worksite. Virtual visits are free of charge and there is no age restriction. Please contact us at visit@iter.org

ASME BPVC Section III Division 4 – Future of the fusion construction code and standard

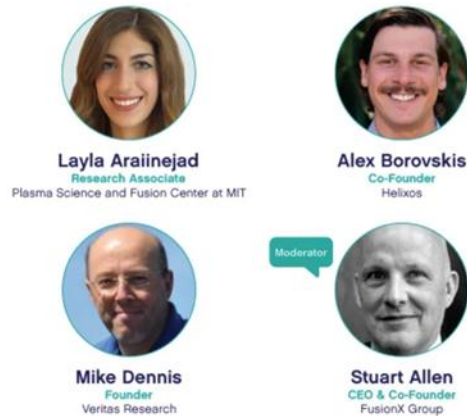

Speaker: Dr Thomas P Davis

When: Tuesday, **December 10**, 2024, 7:00 AM - 8:00 AM (UTC-07:00) Mountain Time (US & Canada)

Participation is free and open for anyone. Information on the webinar can be found [HERE](#)

Join us, and four leading market participants, to probe those studies, and explore the potential market opportunity for fusion and the fusion supply chain, its size, pace of growth, and its geographic distribution.

If you can't make the webinar, feel free to sign up so we can send you a link to the recording. Register to attend [here](#).

Symposium on Fusion Engineering 2025 News

We are pleased to announce the official call for abstracts of the 31st Symposium on Fusion Engineering, hosted by the MIT Plasma Science and Fusion Center and the Fusion Technology Committee of the IEEE Nuclear and Plasma Science Society.

Visit the Abstract Portal at [SOFE 2025](#)

Please submit your abstracts for consideration before January 15th, 2025. Submissions will be reviewed by this year's SOFE Technical Committee and decisions will go out on March 5th, 2025 (the same day early bird registration will open).

For questions regarding abstract submission, please contact wallaceg@mit.edu. For general questions, email info@psfc.mit.edu

Tritium 2025

[14th International Conference on Tritium Science and Technology | September 21-26, 2025](#)

Call for Abstracts: OPEN

Registration: OPEN

Call for Abstracts – closes: February 3, 2025

Early registration – ends: March 3, 2025

If you like what you see in **FusionMatters** Canada, please let us know. Feel free to forward **FusionMatters** Canada to your colleagues or anyone else who needs to know more about fusion; encourage them to subscribe [here](#) or please share your suggestions for changes.
